

About Derbyshire Connect

Derbyshire Connect is now offering a new door-to-door shopping bus service for people who are unable to use conventional buses because of mobility difficulties or because they live in areas where bus services are limited.

Every town or village will get an opportunity for a shopping trip, once a week, to local shops or a supermarket.

And the good news is that these trips are now free for all Derbyshire Gold Card holders.

This new service will cover trips to shopping destinations in the Amber Valley, Bolsover, Chesterfield, Erewash and North East Derbyshire district and borough council areas. They will be run by Community Transport for Town and County (CT4TC) on behalf of Derbyshire County Council.

Derbyshire Connect services replace Dial-a-Bus (DAB) services previously provided by Derbyshire's various community transport schemes.

The new Derbyshire Connect services will initially run in the same way as the old-style DAB services. They will run door-to-door picking passengers up from home and dropping them off at an agreed shopping location, advised at the time of booking.

Volunteer passenger assistants can be provided if you let us know in advance, for passengers needing a bit more help.

Frequently Asked Questions

What is Derbyshire Connect?

Derbyshire Connect is a new bookable door-to-door shopping bus service, funded by Derbyshire County Council and running five days a week. It replaces the Dial-a-Bus (DAB) shopping bus services paid for by the council, which the county's six community transport groups previously run on our behalf.

Who is the service for?

Derbyshire Connect is for people of any age who are unable to use conventional bus services because of mobility difficulties or because they live in areas where bus services may be limited. All vehicles can carry passengers in wheelchairs.

Which area do you cover?

Depending on where you live, you will be taken to a shopping destination in the Amber Valley, Bolsover, Chesterfield, Erewash and North East Derbyshire district and borough council areas of the county.

How often will the service run?

Every community will have the opportunity to make a return trip to local shops once a week. This maybe high street shops including the bank, post office and chemist, a shopping centre or a supermarket. It may not be the closest shopping destination but the one which offers the best shopping amenities.

Will these services run in the same way as before?

Yes, Derbyshire Connect shopping bus services will run in the same way as the DAB services. You still need to book and the bus will pick you up from outside your house and drop you off at the shopping destination you were told about when you booked.
