Derbyshire Advisory Lorry Route Map

- This map shows the preferred routes for delivery vehicles in Derbyshire and Derby City
- **Signed limits exist on other roads in Derbyshire but these roads are not part of the preferred lorry network and are therefore not shown on this map**
- The map also shows how you can access certain industrial and trading estates
- A more detailed version of this map, showing all industrial and trading estates in Derbyshire, is being developed and will be available through the City and County Councils websites. **www.derbyshire.gov.uk** **www.derby.gov.uk**

Vehicle Height and Width

- This map shows bridges on the preferred lorry route network where clearance is below 16'3" (4.95 metres)
- **If your maximum height is less than 16' (4.95 metres)** you can plan your route with this map but you must make sure you observe any other signed limits
- **If your maximum height is greater than 16' (4.95 metres),** and you cannot lower your load, you must check your route with the relevant highway authorities. Highways Agency website address: **www.highways.gov.uk**
